OILFIELD EQUIPMENTS & SPARE PARTS TRADING LLC

About us

Smartech Oilfield Equipments & Spare Parts Trading LLC is a diversified Oilfield Supply Company providing complete range of engineering products & equipments. With utmost dedication, commitment and transparency. We endeavour to provide services to Oil & Gas Marine, Ship Building, Petrochemical and Construction industry in the Middle East and Northern Africa. **Smartech** is a well-resourced company with unquenchable desire, striving for excellence, perfection and total customer satisfaction. We directly service the end-users by offering exceptional supplies and services. We have been working closely with well known principals, manufacturers and suppliers committed to quality and service in all fields related to our core business. We are therefore committed to the Total Quality Management concept.

Mission

Our mission is to continue serving the Oil & Gas, Marine, Ship Building, Petrochemical and Construction industry with best adopted codes of practice and international standards. Relentlessly, we are in the lookout for new technological advances which can be introduced to our customers in order to make their operations safer and more cost effective without compromising in any way the quality and integrity of the product. We sincerely believe in upholding and aspiring to the highest standards of efficiency at all times.

Vision

To be recognized and respected as one of the premier supplies & service provider for Oil & Gas, Marine, Ship Building, Petrochemical and Construction within the Middle East and Northern Africa.

Products & Services

- Innovative Products
- Technical Support
- Upgradation & Maintenance
- Modification & Replacement
